WINE ENTHUSIAST BUYING GUIDE

90 MURÉ Crémant d'Alsace «Cuvée Prestige»

The scent of hay flowers mingless with lifted, translucent impressions of lemons, green apples and lime. On the palate, these fresh notes are balanced by unobtrusive tastes of bread and very light, fragrant, blossom honey. Together they are playful, light and joyous, dispersing their flavor in a thousand tiny bursting bubbles. This is light but serious, weightless but impressive while the finish is completely dry.
