Cellar Selection

The cherry nose of this wine is made even more appetizing and aromatic by the rare presence of pure raspberry notes. Purity indeed is the watchword on the sinuous, slender but concentrated palate with its incisive freshness and insistent aromatics. ### **94 MURÉ Pinot Noir 2018 Clos Saint Landelin**

Only the merest hint of black cherry breaks through on the shy nose of this wine. With more air, hints of iron oxide and salty savor also appear. The palate comes in with juicy freshness that speaks of ripeness and finesse in equal measure. This wine expresses the juiciness of the vintage but presents an effortless, energetic flow, with red-fruited freshness and verve. On the finish touches of smoke and cocoa lends extra roundness.

### **92 MURÉ Riesling 2018 Calcaires Jaunes**

Wet chalk, fresh hay and ripe apple laced with lemon characterize the nose on this wine. The palate comes in with rounded freshness, with highlights of hayflower and ripe, juicy apple edged by dried lemon peel. Smooth, juicy, rounded and dry, the palate retains a limestone coolness.

### **90 MURÉ Gewurztraminer 2018 Orchidées Sauvages**

Honeysuckle and peach on the nose of this wine are joined by a vivid streak of lychee. The palate tones the florals down and focuses on luscious peach flesh instead. Medium sweetness intensifies the fruitiness while mandarin zestiness counters the richness. A pleasant bitter note intensifies the finish. Lovely now, the wine is sure to evolve. Drink by 2030

### **91 MURÉ Pinot Gris 2018 Pierres Sèches**

Pure and bold notes of freshly cut russet-pear peel fill the nose on this wine. The palate adds flowing pear juiciness and concentration. Bold fruitiness is held in check by pithy, not quite zesty freshness. This wine has drive and energy, with a just off-dry finish.
